International Council on Materials Education  
Attn.: Prof. Jincheng Du  
Dept. of Materials Science & Engineering,  
University of North Texas Discovery Park  
3940 North Elm Street  
Denton, TX 76207  
USA

The council e-mail address is: **icmated@gmail.com**

Guidelines for Authors and titles of papers published in JME since 1997 are accessible at **<https://icme.unt.edu>**.

We can assume no responsibility for successful delivery of our shipments to addresses outside the USA. If you require shipping to a region of the world where receipt of goods is a problem, we recommend that you order via a subscription service or re-mailing service. Libraries in your area should be able to help you to locate a reliable U.S. agent.

### REPRODUCTION RIGHTS

Purchase of a subscription automatically confers reproduction rights upon the subscriber and all members of the subscriber’s institution. All other rights are reserved. Reproduction for use outside the subscribing institution is prohibited without permission of the copyright owner.

### PUBLISHER

JME is published by the International Council on Materials Education, with offices at the address above.
